On January 24, 2008 the Teller County Board of Health moved to approve the proposed 2007 Individual Sewage Disposal System Permit and existing Fees made by the Teller County Environmental Health Department. The approval included fees pertaining to the Sewage Disposal System Cleaner's annual licensing fee as well as with the Individual Sewage Disposal System Contractor's annual licensing fee and the Property Owner's testing fee, which are all part of the Teller County Building Code.

Article II, Sections 105.o and 105.p of the Teller County Building Code have been amended to reflect and be consistent with the fees that were approved by the Board of Health on January 24, 2007 reflected in Resolution number 01-24-08 (6).

These amendments were heard and approved at a regular public meeting of the Teller County Board of County Commissioners on April 10, 2008 under Resolution number 04-10-08 (9).

The changes are as follows:

105.o. Sewage Disposal System Cleaner

This license entitles the holder to clean and pump sewage disposal systems in accordance with the Teller County Sewage Disposal Regulations. Standards and procedures for issuance, performance and revocation or suspension of the Sewage Disposal System Cleaner *license* are described in and controlled by the Teller County Sewage Disposal Regulations. ~~The annual fee shall be twenty dollars (\$20.00).~~ **The annual fee shall be fifty dollars (\$50.00).** Testing is required.

105.p. ISDS Contractor (Individual Sewage Disposal System)

In addition to excavation on private property, this license entitles the holder to obtain permits for the installation of individual sewage disposal systems, in accordance with the Teller County Sewage Disposal Regulations. Standards and procedures for issuance, performance and revocation or suspension of the ISDS contractor license are described in and controlled by the Teller County Sewage Disposal Regulations. ~~The annual fee shall be twenty dollars (\$20.00).~~ **The annual fee shall be fifty dollars (\$50.00).** Testing is required.

Property owners installing an individual sewage disposal system on their property for personal use will be required to pass a test. **The fee shall be forty-five dollars (\$45.00)** An owner may install no more than one ISDS in any calendar year and no more than two ISDS's in a lifetime, additional installations shall require licensing as a contractor. ~~The fee shall be twenty-five dollars (\$25.00).~~ **The fee shall be forty-five dollars (\$45.00).**
