### Hood Suppression requirements:

Kitchen layout drawings to include Fire extinguisher locations, all exits, location of all appliances

### Complete layout under the hood to include:

Appliances with brand and model, size, and indicate if gas or electric

### Information on hood to include:

Brand, model and size

Detail for wall/floor penetrations

Exhaust duct: size and location

Motor sizes and power requirements

### Information on fire suppression system to include:

Brand, type, size and nozzles

Plan Review, fees and inspections by the appropriate Fire Department will be required.

Complete detailed sets of plans must be stamped by a mechanical engineer/architect.

Fees are based per inspection and installation; not on the number of times we go to the property (trip fee) to perform an inspection.
