SERVICES & PROGRAMS

Caregiver Support 719-687-3330
 The Teller Senior Coalition provides both Counseling and Respite services for caregivers who are caring for a family member age 60 or older. If care giving is becoming overwhelming or a challenge, call the Teller Senior Coalition office at 719-687-3330 to register for services and for more information. This service is provided by Teller Senior Coalition and the Pikes Peak Area Council of Governments.

Ensure/Glucerna Program 719-687-3330
 The Teller Senior Coalition, with a Community Investment Fund grant from the City of Woodland Park, has implemented a program to provide Teller County seniors with Ensure or Glucerna (for those with diabetes) at a considerable discount and delivered to the home. Call the Teller Senior Coalition office at 719-687-3330 to place an order, for a free sample or for more information.

Golden Circle Nutrition Program, Woodland Park 719-687-3330
 The Golden Circle Nutrition Program, Woodland Park, provides meals Monday through Friday, served at 11:45am at the Woodland Park Senior Center, 312 N. Center, Woodland Park. For Seniors age 60 and over, the Golden Circle Application must be completed in order to receive the \$2.00 meal rate and a meal reservation must be made at least 24 hours in advance. For guests under age 60, inquire by calling the Teller Senior Coalition office at 719-687-3330. Provided through funding by the Federal government, Older Americans Act, Colorado Springs Housing Authority, Teller County and volunteers.

Golden Circle Meal Program, Cripple Creek 719-689-3584
 The Golden Circle Meal Program, Cripple Creek, provides meals Monday, Wednesday and Friday, served at 11:45am on the second floor of the Aspen Mine Center, 166 E. Bennett Avenue, Cripple Creek. For Seniors age 60 and over, contact Ted Borden at 719-689-3584 or visit 166 E. Bennett Avenue to participate in the Golden Circle Meal Program. Suggested meal donation is \$1.75. For guests under age 60, inquire by calling Ted Borden. Provided through funding by the Federal government, Older Americans Act, Colorado Springs Housing Authority, Teller County and volunteers.

Rural Area Meal Program (RAMP) 719-687-3330
 The Rural Area Meal Program, otherwise known as RAMP, provides complete frozen or shelf-stable meals approved by the State Nutritionist as well as a liquid dietary supplement. For Seniors age 60 and over, the Teller Senior Coalition Application must be completed in order to receive services. Contact the Teller Senior Coalition office at 719-687-3330 for information or to begin service. Provided by Teller Senior Coalition and Pikes Peak Area Council of Governments.

Handyman "Material Aid" Program 719-687-3330
The Handyman "Material Aid" Program provides limited home repairs (e.g.: installation of grab bars, replacement of locks, small scale plumbing projects) needed to ensure the health and safety of Senior occupants and to prolong independent living. Grant monies are used to purchase repair materials, while the labor is donated by local volunteer contractors. Response time is dependent on the availability of volunteers and the extent of the project. This is not an emergency service. For Seniors age 60 and over, the Teller Senior Coalition Application must be completed in order to receive services. Contact the Teller Senior Coalition office at 719-687-3330 for information or to begin service. With funding from Colorado legislature, donations and volunteers, this program is provided by Teller Senior Coalition and Pikes Peak Area Council of Governments.

Mission: CPFRC delivers programs and services that strengthen families.
Community Mission: All Teller County families are self-reliant, fully functional, and positive contributors to our community.
Eligibility:Residents of Teller County and Park County border communities of Lake George and Guffy
Fees:Most programs are free
Funding:Grants, fundraisers and private donations
Volunteer Opportunities:Volunteers can assist with tutoring ABE, office work, mailings, distributing flyers and publications, and event planning and implementation.
Other Information: CPFRC also sponsors the Community Resource Directory and annual events such as the Old Fashioned 4th of July Celebration in Woodland Park.
Bright Beginnings: This program welcomes newborns with a gift basket and educational materials for parents, and we revisit after one year to see how the family is doing. This program helps parents cope with parenting challenges faced during the child's first years.
Young Mother's Empowerment: This program provides a support group, peer networking and educational services for teen mothers in Cripple Creek and Woodland Park. These programs reduce the likelihood of additional unplanned pregnancies, health related problems, depression, and a life of dependency on public assistance.

- Playgroups:** This program provides a place for mothers and their children, age infant to 4, to bond. The children are better prepared to enter a school setting by participating in crafts and listening to reading, sometimes by Mother Goose, the storyteller.
- Parent Education Classes:** Classes are for families of 2 to 8 year olds in our community. *The Incredible Years* curriculum we use has been shown to reduce the incidence of child abuse and to empower parents to better prepare their children for entry into the school system.
- Middle School After School Program:** Operating in Woodland Park, this program provides a safe, structured, yet fun alternative for youth whose parents are unable to be home when the school day ends.
- ABE:** Adult Basic Education includes the only **GED Preparation** site in Teller County located both in Divide and Cripple Creek, English as a Second Language (ESL) instruction, Adult Literacy instruction, and K-12 tutoring in Cripple Creek. The GED diploma opens the door to higher wage opportunities, advanced training and higher education for those who have not obtained a high school diploma. We serve students from 16 to 60+.
- Health Advocacy:** Our Health Advocate works with people facing health problems who are uninsured or under-insured. The Health Advocate collaborates with local health providers and community resources to identify coverage options as well as providing case management, advocacy, wellness and education services.

Fees: Medicare certified, approved Medicaid, Tricare, VA, private insurance, private pay & HMOs.

Other Information: We are a 501 (c) 3 non-profit dedicated to serving you.

Volunteer Opportunities: Bereavement, respite, special project & office assistance. Prospect ensures your passions are where you are assigned.

Home Care: We provide sophisticated physician-directed care to individuals who have difficulty leaving their home. A visit by a Registered Nurse, Physical Therapist, Occupational Therapist, Speech Pathologist, Medical Social Worker, or Certified Home Care Aide provides the care and medical intervention to advance recovery and recuperation.

Hospice: We provide a specialized program of professionals who focus on achieving comfort and quality of life when life expectancy is limited. The leader of the hospice team is the Case Manager – a Registered Nurse – who provides symptom and pain management working closely with your physician and our Medical Director, a hospice expert. Our Medical Social Worker, home care aides, clergy and caring volunteers provide respite and comfort measures. This team surrounds the family with compassion and the tools to not only die peacefully, but to live, until you die.

Helping Hands: This program is for individuals who need assistance with personal care, light housekeeping or preparing nutritious meals. Medicaid, state programs, and private pay are accepted for payment. Installation of a Personal Emergency Response System is an added safety measure for individuals who live alone, or who are alone for extended periods. The wearer pushes a call button and the system notifies a friend, family member, or emergency medical assistance. This device gives peace of mind to the wearer and loved ones alike.

Communicable Diseases: The TCPH mission is to prevent disease and to protect and promote the health of our citizens. Communicable Diseases and Epidemic investigations are required by state regulations and delegated to the local public health office in Teller County. Diseases reported to Colorado State Health by laboratory testing and confirmation are categorized and investigated according to mandated priority. Reportable outbreaks or epidemics of environmental or chronic diseases include those which may be a risk to the public and which may affect large numbers or specific groups of persons or outbreaks. Investigations are protected under confidentiality guidelines and insure that the residents of Teller County have the most accurate information reported to State Health.

Healthcare Program for Children with Special Needs (HCP): Assists families with children with special needs to find resources and support for their child (birth to 21 years of age). Families may have access to the support of a Nurse Care Coordinator, Registered Dietician and a Social Worker.

Women, Infants & Children (WIC): Provides free food as well as health and nutritional education to support healthy pregnancies and early childhood. Low and moderate income infants, children under 5, and pregnant women may be eligible.

Prenatal Plus: State-funded program that offers education and support to pregnant women on Medicaid. These women have access to a Nurse Coordinator, a Registered Dietician, a Mental Health Professional, and prenatal classes.

Baby and Me Tobacco Free: Smoking cessation program for pregnant women. Quit smoking while you are pregnant and get tested monthly to earn free diapers for up to one year! Program includes taking four smoking cessation classes.

Tobacco: Call TCPH for information about prevention, intervention, cessation and secondhand smoke. Sponsored by a State Tobacco Education & Prevention Partnership (STEPP) grant through the Colorado Department of Public Health and Environment.

America on the Move: Helping you make small changes to improve health and quality of life. Sign up online at americaonthemove.org. Pick up your free pedometer at TCPH and start our "Flat Fourteeners" program today. .

Healthy Life – Healthy Heart: Did you know that cardiovascular disease is the number one killer of adults in Colorado and the US? Lowering your cholesterol, losing weight, maintaining a healthy diet and getting more active will have a major impact on your heart health. Our Registered Nurse Case Manager will work with you to set goals for reducing your risk and improving your heart health. Exercise and nutrition consultation, tobacco cessation, medical referrals and one-on-one counseling are available.

Senior Program: A nurse is available for consultation on senior issues, takes blood pressures at senior luncheons and provides education and classes on health topics unique to seniors. The nurse will also provide short-term case management services for seniors in need.

Family Planning: Federal Title X monies provide free and reduced-fee reproductive health services to men and women.

Women's Wellness: The Women's Wellness Connection grant provides free screenings for women from 40 to 65 who qualify. The Susan B. Koman Foundation grant provides care through the Women's Breast Health Project.
