

Training & Exercises

In coordination with federal, state, regional, and local partners, Teller County OEM conducts and participates in training and exercise events that strengthen the ability of the local emergency management community prepare, respond and manage large-scale incidents. Through the calendar of events, information can be accessed on relevant training opportunities for public safety agencies and Emergency Operations Center (EOC) representatives.

Training opportunities for laypersons are available from the Federal Emergency Management Agency (FEMA) and through volunteer opportunities with organizations such as the American Red Cross and the Salvation Army.

There are many local opportunities for neighborhood/group preparedness & mobilization training available through Teller County Citizen Corp at <http://www.tellercc.com>

For more on Training & Exercises Program events, contact Steven Steed, Emergency Management Director at (719) 686-7990.
