**OWTS Regulation Amendment
Effective May 31, 2015**

On October 8, 2015, the Teller County Board of Health approved an amendment to the Onsite Wastewater Treatment System Regulations (OWTS) to delete Section 43.4.M Transfer of Sale to become effective May 31, 2015 and as a result, inspections and certificates on permitted septic systems are no longer required upon the sale of the property.
