RE: County Road 51

Dear Property Owner:

Teller County is aware that Randy and Patricia Oneil, the owners of the property at 10565 County Road 51, have sent letters to other residents on County Road 51 stating their intent to try to close County Road 51.

County Road 51 is a recognized public road in Teller County and has been for far more than 20 years. Teller County has notified the Oneils that they do not have a legal basis to close County Road 51 and that Teller County will take the appropriate steps to ensure that County Road 51 remains a public road.

If you have any questions please call Fred Clifford, Teller County Public Works Director, at (719) 687-8812.

Respectfully,
