DIVIDE SLASH

COLLECTION SITE

Due to the success of the Divide Slash Site, accumulated chip and slash piles must be removed before accepting any additional material.

The Divide Slash Site will not open for 2020 as usual.

The site may be open intermittently later in the year.

Consult the CUSP website for updates <https://divideslashsite.com>

Or call the CUSP office at 719-748-0033

What can you do with your slash while the Divide Slash Site is closed?

CUSP also operates sites in Fairplay and Bailey.

Or do you have enough slash for us to bring a chipper to you and your neighborhood?

Please consult the CUSP website for information regarding the Neighborhood Fuels Reduction Program (mobile chipping). <https://cusp.ws/forest-issues-2/chipper/>

There are strict specifications for stacking slash that must be followed, be sure to check the website or contact CUSP before you begin.

**DUMPING AT THE SLASH SITE WHILE IT IS CLOSED IS ILLEGAL, STRICTLY
PROHIBITED AND MAY RESULT IN THE SITE BEING CLOSED PERMANENTLY.**
