**Contractor Licenses**

**Spectrum Wireless Solutions, Inc  
Jeffrey Jenkins**

**License 3340B-1 company name change and change in examinee**

Mr. Jenkins present. Mr. Jenkins gave a brief overview of his recent work history and building experience, which included but was not limited to the following:

Mr. Jenkins works with various wireless carriers to do site modifications, such as upgrade of equipment to allow towers to support new upgrades for 4G and LTE, he also installs new towers in many jurisdictions  
He primarily works outside of Teller County  
His company installed over 400 AT&T antennas and upgraded Denver International Airport facilities  
Mr. Jenkins works mainly with large venues

There was further discussion between the applicant and the Board, which included but was not limited to the following:

He is the license holder for all municipalities in the State of Colorado  
Installs mostly prefabricated buildings, however when the need for onsite construction arises he hires subcontractors licensed in appropriate fields  
He always has licensed electricians working for him and it is sometimes high voltage  
The company has two addresses; the main address is for the umbrella company  
He is insured in the state of Colorado  
A second financial letter was provided to the Board of Review by staff, satisfying sec. 102.f of the Teller County Building Code

Carl Andersen opened this matter up for public comment. No public comment. Close public comment.

Sonny Strobl moved to grant Spectrum Wireless Solutions, Inc, with Jeffrey Jenkins as the examinee a company name change and change in examinee for license 3340B-1. Jared Bischoff seconded. Roll call vote and all said yes. The motion carries.
