WELL PUMP INSTALLATION CONTRACTOR CLASS – WP LICENSE

This license registration shall entitle the holder to contract for the installation and repair of well pumps as stated on the holder’s license issued by the State of Colorado, and to obtain permits and inspections of such work. **Any electrical work on the pump above** which is stated on the applicant’s Well Pump State License **must** be performed by a State Master Electrician registered in Teller County.

Well pump electrical permits are included in commercial, residential, manufactured, and mobile home building permits. If there is no building permit for the property, or a repair/replacement is to be done, a separate electrical permit for the well pump must be pulled prior to repair, replacement, installation, or connection.
