Teller County COVID-19 Dial Level Orange Update – Casinos

As of 4:00PM on November 16, 2020, Teller County was advised that the local casinos will be considered indoor events for the purposes of the Dial Level Status Orange-High Risk and will not be required to close their doors at 5:00PM as previously indicated.

The Colorado Department of Public Health and Environment (CDPHE), Casino Association, and the Governor's staff worked together to determine that casinos could continue operating at the reduced levels indicated by the COVID-19 Dial Level Orange.
